

UNIVERSITY OF MICHIGAN  
CHI ALPHA CAMPUS MINISTRIES

CHINA 2006

THE GUARISCO'S REPORT

What a trip! We just returned from our second trip to China, and the impact was greater spiritually, numerically and relationally. This was due to the friendship and trust we established in the summer of 2005. We had the opportunity to love and serve hundreds of Chinese children through the basketball camp, English lessons, and sharing meals from house to house. One of the highlights for me was a farewell banquet that the city put on for us. This was attended by THE MAYOR HIMSELF WHO THANKED US FOR COMING, AND GAVE GIFTS TO EACH STUDENT. It's almost unbelievable to witness the city wide impact our outreach is having in former Tibet. God is touching lives from the youngest student to the highest ranking politician.

Many of you remember Cecilia from last year. Cecilia is the young lady we shared Christ with in front of the 20 foot idol her family had worshiped for generations. By God's grace we were able to see Cecilia again this summer. Cecilia informed us that she had attended the only church in the city for Christmas service, and began to read the Bible for the first time! May God touch Cecilia, and bring this precious young lady to salvation in Christ.

MINISTRY HIGHLIGHTS

- Our Fusion cell groups have proven to be incubators for new leadership. Our 2 cells from last year have multiplied, and produced 10 leaders, 10 apprentices and our very first student coach. These new leaders will be planting 4 BRAND NEW CELLS in September. Please pray that God will bring many spiritual seekers to Christ, and raise up 8 new cells for the fall of 2007!
- Our Sunday services on campus continue to grow in momentum, and we are seeing the Lord touch many lives through this environment. This fall will be a new milestone for H2O Campus Church as our Sunday services become larger in attendance, and more public in composition. We have an awesome student worship band, under the direction of Katie Shields, our new missionary associate. We are expecting between 40 – 60 people at our services this fall. Please pray that God will change lives through this growing environment in H2O.
